Invitation to a Free Estate Protection Seminar - "Live for today; Plan for tomorrow"

Dear Sir or Madam,

Thursday 19th September, Focolare Centre for Unity, 69 Parkway, Welwyn Garden City, AL8 6JG from 6pm

We are pleased to invite you to a free update seminar.

The current tax and political environment continues to challenge our clients' desire to preserve their assets for future generations. We are also acutely aware that clients want to enjoy the fruits of their hard earned wealth.

A common statement is "it's just not fair". Clients feel exposed on many fronts, including provision of Care Fees and also Inheritance Tax

The seminar will offer insights into the best ways to manage inheritance tax, Will planning, protecting assets against care fees and general care issues, including the importance of Powers of Attorney.

Who will benefit from this Seminar?

- Individuals with family and loved ones who want to understand how to best protect their assets for themselves and also for future generations.
- Anyone interested in learning about the options available to mitigate Inheritance Tax.
- Those who are concerned regarding care fees or who have loved ones with carers at home or living in a residential care home.
- Individuals who are interested in the benefits of preparing Lasting Powers of Attorney

There will be an opportunity to ask questions during the presentation or after the session when we hope you will be able to join us for light refreshments.

The presentation will be clear, using plain English giving you information and options to explore. To secure your place please complete and return the booking form below or alternatively telephone or email us as directed.

If you are unable to attend, please feel free to pass the invitation on to a relative, friend or colleague.
