

The Rumble Awards 2021

Good news!

**We're really pleased to say
that The Rumble Awards
will be going ahead for 2021**

We are living in very different times, because of the virus

So the Rumble Awards will have to be different this time

That's okay, because we are used to being different!

We will make the Rumble Awards a film show this time

So that people can keep safe, but still be involved

If possible, we will invite people to see this at a film screening event in March 2021

If it's not possible for people to gather together, we will share this as a film online

**We will send out
nominations in the usual
categories**

Leading Light

Brave Heart

Healthy Living

Good Spirit

**We are going to carry on with the
Superhero theme**

**This is because there are so many
superheroes with learning disabilities
who have coped with so much
because of the virus**

What can you do to help?

- **Send films of yourselves doing the cheerleader chant**
- **Or we will find a way to film some people at a safe distance**

If you don't know the chant, we will teach it to you

What can you do to help?

- **Share films of yourselves dancing to our Superhero Song**
- **or we will find a way to film you at a very safe distance**

We can send you the tune and teach you the moves

What can you do to help?

- **Make some art for us that can be photographed and displayed in an online exhibition**

What can you do to help?

- **You might like to share your own experiences of lockdown, what challenges you have struggled with or how you have coped**

What can you do to help?

- **Send photos of you or your group celebrating all the positive things that you have been doing**
- **And we'd love to have films and photos of you doing Rumbles stuff**

Of course there's lots more we could add

We have given just some examples

- If you want to know more, please contact Emily
At emily.pioneerapproaches@gmail.com

Thank you!
