

Virtual Learning Disability Carers' Forum

Do you provide unpaid support to an adult
with a learning disability?

Would you like to connect with other
carers and find out about local services?

Would you like a chance to share your
views and experiences on health and care
services in Hertfordshire with those who
plan or provide them?

**Yes? Then please join us for our online
forum on Monday 23rd
November 2020, 10am - 12pm noon.**

Please note that although this meeting
is on Zoom, we can support you in
joining it with a landline or mobile
phone. If you need help please

At this meeting we will be saying goodbye to our long-serving Chair Marie Scales and welcoming Christine Fincham into the role. Marie will still be involved with the Forum and will represent carers at the Purple Star Strategy Group that works to ensure health and other services in Herts provide appropriate support for people with learning disabilities. She will also stay as Co-Chair of the Hertfordshire Learning Disability Co-production Board.

At this special meeting, Marie will talk about the Learning Disability Mortality Review (LeDeR) meetings that she attends, which address the issue of premature deaths amongst adults with learning disabilities.
