**Re: HPFT Carer Plan 2019-2021 Consultation**

As HPFT continue on our journey from 'Good to Great' we have reviewed how we will approach our services in relation to carers up to 2021.

Since August 2018 we have been providing opportunities for carers, service users, staff and other stakeholders to come together and discuss what is important to them in relation to carers support.

We are pleased to share with you our consultation document for the plan to ask for feedback on the proposed areas of focus and priorities. We would like to hear from people with a range of experiences and perspectives.

Thank you in advance for any contributions you are able to make and should you have any queries please contact us at [hpft.carers@nhs.net](mailto:hpft.carers@nhs.net) or via 01727 804418.

Kind regards
