

Healthwatch Hertfordshire is working with Hertfordshire University Partnership NHS Foundation Trust (HPFT) to investigate carers' needs and involvement when their loved one has been discharged from inpatient mental health services.

We are looking for carers and service users who have used HPFT mental health inpatient services within the last 2 years to participate in our Advisory Group on **27th September 2019**.

Participants of the Advisory Group will help us shape our research by acting as experts by experience. Part of the role will involve co-producing an information pack to provide to carers upon discharge.

If you would like to apply or find out more, please call **01707 275 978** or email **info@healthwatchhertfordshire.co.uk** by **17th September 2019**.
